PROFESSIONAL EXPERIENCE

Web Developer At AceTech

11/2023 – present
Cairo, Egypt

I work for this company as a WordPress web developer, and I have extensive experience in this field. I was responsible for more than 25 websites during my first year. I was also responsible for meeting with clients, convincing them of our web services, and explaining all the details of our services to them. I received the ideal employee award more than 6 times, noting that we have about 7 departments in the company in addition to my own department. I have always enjoyed the trust of my manager and colleagues at work, and they feel that I can do whatever they ask of me due to my hard work.

call center in Talabat

06/2019 – 11/2019
Cairo, Egypt

I worked in a Talabat call center, receiving orders from the Gulf countries and Egypt. I gained extensive experience in sales, as well as dealing with and satisfying customers.

Project Manager

Cairo, Egypt

AceTech Digital Marketing Solution and software

I was responsible for completing the agreement with companies on their websites. I was also responsible for the websites after the companies contracted with us in our company from the beginning until the website was delivered.

Freelancer

Cairo, Egypt

In Saudi Arabia, the Emirates and some small companies in Egypt
